Furevermore Gala  
Sponsorship Opportunities

# Who We Are

The Seattle Animal Foundation (SAF) ensures vulnerable animals in our community have the chance at a healthier, safer life. We work to strengthen the animal welfare ecosystem across the greater Seattle area so vulnerable animals can access the care and services they deserve.

By funding high-impact programs at the Seattle Animal Shelter and throughout the region, we deliver lifesaving medical treatment, behavior support, and foster resources to thousands of animals each year.

## The Big Event

The 2026 Furevermore Gala will occur on Saturday, October 10, 2026 at Fremont Studios in Seattle, WA.

## Our 2025 Grants

### Best Chance Program - \$150,000

Funded free veterinary clinics around Seattle

### Foster Care Coordinator Grant - \$125,000

Funded a full-time Foster Coordinator at SAS

### Shelter Diversion Program - \$75,000

Funded resources to help keep pets with their families - pet food and supplies, waived license fees, community outreach

### Behavior Program Grant - \$131,250

Funded a full-time Behaviorist at SAS

### Doney Coe Coalition Grant - \$20,000

Funded free/low income spay/neuter clinics

Last year, our event was attended by over 300 community members including donors, rescues, stakeholders and other partners. Together we raised significant funding for the animals in the greater Seattle region.

Your generosity and commitment to the event ensures we can continue to provide the resources animal welfare organizations need across the region.

## Join Us

When you sponsor our Furevermore Auction, your support powers free vaccine clinics, provides behavior support to shelter animals and keeps the foster program thriving so every animal has a safe place to heal.

Your support goes beyond the gala. **By joining, you become a part of the solution driving systematic change to animal welfare.** When your business sponsors SAF, you receive recognition and visibility as an animal welfare advocate, tickets to our upcoming events, and stronger community relationships.
